

Now available in unit dose from PAI

Protects patients by limiting manipulation outside of pharmacy

Morphine Sulfate Oral Solution CII 10 mg/5 mL

For the management of acute and chronic pain severe enough to require an opioid analgesic and for which alternative treatments are inadequate

- Alcohol and Sugar Free
- Pleasant flavor
- Unit Dose Cups
- Manufactured in the US in a state-of-the-art, FDA-inspected facility
- Competitively priced
- Dependable delivery

PAI's Dura-Dose® Unit Dose Primary Container

The right dose the right way, to the right patient at the right time!¹

- Better dosing efficiency—reduces dispensing time
- Barcoded unit-dose packaging—helps prevent medication errors and dosing errors
- Improved patient compliance with more dosing options
- Packaging flexibility means easier medicine cart stocking

For questions about how to purchase or any other information on products, call your PAI sales representative or contact customer service at 864-331-1832 / PAI.Info@paipharma.com. Also available through your wholesaler.
